

Soil and Water Science Distinguished Speaker Seminar

Speaker: **Dr. Harold Drake**
Professor and Chair
Department of Ecological Microbiology
University of Bayreuth, Bayreuth, Germany

Title: **Darwin's Invertebrates: A Transient Soil Story**

Date: Friday, September 11, 2015

Time: 3:15 pm – 4:10 pm

Location: McCarty Hall B, Room G086

Harold L. Drake is Chair of the Department of Ecological Microbiology at the University of Bayreuth in Germany and is Editor-in-Chief of the journal Applied and Environmental Microbiology. His current work is focused on (a) the physiology and ecology of anaerobes, (b) invertebrate microbiology, and (c) the intermediary ecosystem metabolism of environments (e.g., peatlands) that emit greenhouse gases.

For our off-campus students, off-campus faculty, and on-campus students who cannot physically attend, all seminars can be viewed at: <http://mbreeze.ifas.ufl.edu/seminars>. In addition, all seminars are archived for viewing at: <http://soils.ifas.ufl.edu/academics/seminars.shtml>.

For additional details about Dr. Drake's visit, please contact Dr. Andy Ogram (aogram@ufl.edu).
