### WHAT IS THE PURPOSE OF A RESUME?

A resume is a strategic document that helps you proceed through the process of your next step. This could be to secure an on-site interview at an organization for an internship or job, be awarded a scholarship, or gain admission to a graduate program. It is a summary of your education, experience, and skills. Focus on your accomplishments, strengths, and transferrable skills. Think about experiences you are most proud of and want to highlight to tell your story and how you will add value.
