Academic honesty: Every student signs a statement of academic honesty when they register, which is in effect for this course.

Student resources: University Counseling and Wellness Center, 392-1575; Student Health Care Center, 392-1171; Sexual Assault Recovery Services, 392-1161; Career Resource Center, 392-1161

Accommodations for students with disabilities: Accommodations for Student with Disabilities: Students requesting classroom or laboratory accommodation must first register with the Dean of Students Office. The Dean of Students Office will provide documentation to the student who must then provide this documentation to the Instructor when requesting accommodation.

Software use: All faculty, staff and students of the University are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal penalties for the individual violator. Because such violations are also against University policies and rules, disciplinary action will be taken as appropriate.
