

## Soil and Water Sciences Department Invited Speaker Seminar

**Speaker:** [Michelle Leonard](#)  
Associate University Librarian  
UF Marston Science Library

**Title:** Library Resources and Their Use

**Date:** Monday, August 29, 2016

**Time:** 3:00 pm

**Location:** McCarty Hall D, Room G001

This seminar will introduce the students to the research tools and resources available through the UF libraries that will assist them in effectively carrying out their research projects. This seminar will provide an online tour of library resources in Soil and Water Science and services available to students and faculty. Students will learn how to find your librarian, and access/reserve the study rooms, scanning and printing resources and how to find help if you have a question. Students will also learn effective database search techniques as well as how to manage your citations and bibliography.

For our off-campus students, off-campus faculty, and on-campus students who cannot attend, all seminars can be viewed live via this link: [Michelle Leonards' Seminar](#). In addition, all seminars are archived for viewing at <http://soils.ifas.ufl.edu/academics/seminars.shtml>
